I'm currently 2nd Year IS (*Information System)* Undergraduate Student at **Universitas Riau.**
Anyway, I'm now in □ with **Go** & **Cloud Native Technology Enthusiast**.
In my spare time I usually like to make content on my YouTube channel about Programming (mostly Go), Algorithm & Data Structure, Coding Problem, Lecture Tasks and etc.

EXPERIENCE

Teaching Asistant (Programming Foundation)   Jul 2021 - Dec 2021
Lecturer, Pekanbaru
Assisting lecturers in carrying out teaching plans that have been prepared, giving assignments, correcting assignments, giving grades, teaching, discussing assignments & etc. Matters related to our work using the **codepost.io** auto grader service and the distribution of the work we publish on the web **programming-concept.netlify.app**

EDUCATION

Bachelor of Science (B.S.) - Information System   Jul 2020 - Jul 2024 (Expected)
Universitas Riau, Pekanbaru
Last GPA **3.91**

SKILLS

Expert in: Golang
Intermediate in: Java, PHP, PostgreSQL, MySQL, Web Service, Git, Teaching
